License Your Pet

A King County pet license includes many benefits. Here are just a few:

- The first time your pet is found, King County will attempt to skip the adoption center and deliver the pet directly to your home.
- Licensed pets have a longer stray hold at the adoption center.
- The Vacation Pet Alert program allows you to provide contact information for your pet's care while you are away from home.

Pet license fees help thousands of homeless animals in King County find new families each year, and pay for services such as the adoption center and field operations.

King County requires cat/dog owners to license their pets annually, regardless of whether they reside indoors or outdoors.* Simply apply online at www.kingcounty.gov/pets or call 206-296-2712 for more information.

Fetch Your Pet

Fetch your pet is a RASKC program that connects finders of lost pets to their owners 24-hours a day, seven days a week. Citizens who find a lost pet wearing a RASKC pet license tag can call the number on the tag -206-296-2712 and get the phone number of the owner for immediate notification.

Free Microchip Tracking

Register your microchip number at the time of your licensing or by calling 206-296-2712.

**Violators are subject to a fine of up to \$250.

Adopt a Pet

Regional Animal Services of King County has many great adoptable pets waiting to find their forever homes. To find a pet to add to your family:

- Look online at www.kingcounty.gov/pets to find a list of adoptable pets.
- Visit the Pet Adoption Center in Kent to meet with adoptable pets.
- Fill out an adoption application and pay the low fee which includes a King County pet license.

All pets adopted from Regional Animal Services of King County are spayed or neutered and have all standard vaccinations, including rabies (puppies and kittens are de-wormed).

Volunteer

Volunteering can make a big difference in the life of an animal. There are many opportunities available following training including helping with care, nurturing and exercising.

For more information, visit our website or call our volunteer program manager: www.kingcounty.gov/pets or 206-296-3946.
